

"Our Lord rose while the stone and seal were still on the sepulchre. But as it was necessary that others should be certified of this, the sepulchre is opened after the resurrection, and so the fact confirmed. This it was which roused Mary. For when she saw the stone taken away, she entered not nor looked in, but ran to the disciples with all the speed of love. But as yet she knew nothing for certain about the resurrection, but thought that His body had been carried off."
